

Covid-19 Policies

We will be operating under the Club's [Covid-19 Policy](#). We will accept both members and visitors up to a maximum of 20 people per day under the following conditions:

- All visitors must register prior to attending.
- All visitors will be screened before they can access the field. Attendees will not be permitted entry if they answer yes to any of the following questions:
 - Do you currently have sudden loss of smell or taste, a fever, sore throat or runny nose?
 - Have you returned from overseas or a cruise ship in the last 14 days?
 - Have you been in close contact in the last 14 days with anyone who has confirmed COVID-19?

Air Experience Flights

Air Experience Flights (AEFs), or Trial Introductory Flights, are a great way for you, your loved ones or friends, to experience the joy of flight through gliding in a dual-controlled twin-seat glider under the guidance of a qualified and experienced gliding instructor.

An AEF will provide you with about 20 minutes flight time weather and atmospheric conditions permitting or two launches if the first flight is short. It offers a basic lesson in the controls of a glider under the guidance of an instructor. It may be possible for the passenger to have a go at flying the glider if conditions permit.

Please note that Cameras should be secured with a neck or wrist strap, to ensure they do not impede use of controls or drift loose around the cockpit. This is important to flight safety.

Cost

An AEF costs \$200. If the flight is for you, you can pay at the airfield on the day of your flight in cash or by bank transfer over the Internet. The club does not offer EFTPOS or credit facilities, so please be prepared to pay prior to your flight or you will be disappointed.

Gift Certificates

AEFs make a great gift and we offer gift certificates at a cost of \$200 each. Gift certificates may be purchased from the club and are valid for a period of 12 months from the date of issue, and are signed by an authorised officer of the Southern Tablelands Gliding Club (usually the Club President).

Temporary Gliding Federation of Australia Membership

There is a GFA form to complete and sign prior to your flight. This form provides Gliding Federation of Australia introductory membership for 30 days from the first flight. Minors will require the consent and signature of a parent or guardian approving the flight.

If you choose to join the STGC as a flying member within 30 days of your flight, the club will credit the \$200 AEF cost to your account.

Passenger Weight Limit

There is a 105kg max weight limit for the passenger, so please contact the club prior to coming to the airfield if the intended passenger weighs more than this. For safety reasons, the total weight of passenger/student and instructor is also subject to a limit.
